

State of Arizona  
House of Representatives  
Fifty-third Legislature  
First Regular Session  
2017

**CHAPTER 298**  
**HOUSE BILL 2482**

AN ACT

AMENDING SECTION 45-576, ARIZONA REVISED STATUTES; RELATING TO CERTIFICATE  
OF ASSURED WATER SUPPLY.

(TEXT OF BILL BEGINS ON NEXT PAGE)

1 Be it enacted by the Legislature of the State of Arizona:

2 Section 1. Section 45-576, Arizona Revised Statutes, is amended to  
3 read:

4 45-576. Certificate of assured water supply; designated  
5 cities, towns and private water companies;  
6 exemptions; definition

7 A. EXCEPT AS PROVIDED IN SUBSECTIONS G AND J OF THIS SECTION, a  
8 person who proposes to offer subdivided lands, as defined in section  
9 32-2101, for sale or lease in an active management area shall apply for  
10 and obtain a certificate of assured water supply from the director prior  
11 to presenting the plat for approval to the city, town or county in which  
12 the land is located, where such is required, and prior to filing with the  
13 state real estate commissioner a notice of intention to offer such lands  
14 for sale or lease, pursuant to section 32-2181, unless the subdivider has  
15 obtained a written commitment of water service for the subdivision from a  
16 city, town or private water company designated as having an assured water  
17 supply pursuant to this section.

18 B. EXCEPT AS PROVIDED IN SUBSECTIONS G AND J OF THIS SECTION, a  
19 city, town or county may approve a subdivision plat only if the subdivider  
20 has obtained a certificate of assured water supply from the director or  
21 the subdivider has obtained a written commitment of water service for the  
22 subdivision from a city, town or private water company designated as  
23 having an assured water supply pursuant to this section. The city, town  
24 or county shall note on the face of the approved plat that a certificate  
25 of assured water supply has been submitted with the plat or that the  
26 subdivider has obtained a written commitment of water service for the  
27 proposed subdivision from a city, town or private water company designated  
28 as having an assured water supply pursuant to this section.

29 C. EXCEPT AS PROVIDED IN SUBSECTIONS G AND J OF THIS SECTION, the  
30 state real estate commissioner may issue a public report authorizing the  
31 sale or lease of subdivided lands only on compliance with either of the  
32 following:

33 1. The subdivider, owner or agent ~~has obtained a certificate of~~  
34 ~~assured water supply from the director and~~ has paid any activation fee  
35 required under section 48-3772, subsection A, paragraph 7 and any  
36 replenishment reserve fee required under section 48-3774.01, subsection A,  
37 paragraph 2 AND HAS OBTAINED A CERTIFICATE OF ASSURED WATER SUPPLY FROM  
38 THE DIRECTOR.

39 2. ~~if~~ The subdivider has obtained a written commitment of water  
40 service for the lands from a city, town or private water company  
41 designated as having an assured water supply pursuant to this section and  
42 the subdivider, owner or agent has paid any activation fee required under  
43 section 48-3772, subsection A, paragraph 7.

1           D. The director shall designate private water companies in active  
2 management areas that have an assured water supply. If a city or town  
3 acquires a private water company that has contracted for central Arizona  
4 project water, the city or town shall assume the private water company's  
5 contract for central Arizona project water.

6           E. The director shall designate cities and towns in active  
7 management areas where an assured water supply exists. If a city or town  
8 has entered into a contract for central Arizona project water, the city or  
9 town is deemed to continue to have an assured water supply until December  
10 31, 1997. Commencing on January 1, 1998, the determination that the city  
11 or town has an assured water supply is subject to review by the director  
12 and the director may determine that a city or town does not have an  
13 assured water supply.

14           F. The director shall notify the mayors of all cities and towns in  
15 active management areas and the chairmen of the boards of supervisors of  
16 counties in which active management areas are located of the cities, towns  
17 and private water companies designated as having an assured water supply  
18 and any modification of that designation within thirty days of the  
19 designation or modification. If the service area of the city, town or  
20 private water company has qualified as a member service area pursuant to  
21 title 48, chapter 22, article 4, the director shall also notify the  
22 conservation district of the designation or modification and shall report  
23 the projected average annual replenishment obligation for the member  
24 service area based on the projected and committed average annual demand  
25 for water within the service area during the effective term of the  
26 designation or modification subject to any limitation in an agreement  
27 between the conservation district and the city, town or private water  
28 company. For each city, town or private water company that qualified as a  
29 member service area under title 48, chapter 22 and was designated as  
30 having an assured water supply before January 1, 2004, the director shall  
31 report to the conservation district on or before January 1, 2005 the  
32 projected average annual replenishment obligation based on the projected  
33 and committed average annual demand for water within the service area  
34 during the effective term of the designation subject to any limitation in  
35 an agreement between the conservation district and the city, town or  
36 private water company. Persons proposing to offer subdivided lands served  
37 by those designated cities, towns and private water companies for sale or  
38 lease are exempt from applying for and obtaining a certificate of assured  
39 water supply.

40           G. This section does not apply in the case of the sale of lands for  
41 developments that are subject to a mineral extraction and processing  
42 permit or an industrial use permit pursuant to sections 45-514 and 45-515.

43           H. The director shall adopt rules to carry out the purposes of this  
44 section. On or before January 1, 2008, the rules shall provide for a

1 reduction in water demand for an application for a designation of assured  
2 water supply or a certificate of assured water supply if a gray water  
3 reuse system will be installed that meets the requirements of the rules  
4 adopted by the department of environmental quality for gray water systems  
5 and if the application is for a certificate of assured water supply, the  
6 land for which the certificate is sought must qualify as a member land in  
7 a conservation district pursuant to title 48, chapter 22, article 4. For  
8 the purposes of this subsection, "gray water" has the same meaning  
9 prescribed in section 49-201.

10 I. If the director designates a municipal provider as having an  
11 assured water supply under this section and the designation lapses or  
12 otherwise terminates while the municipal provider's service area is a  
13 member service area of a conservation district, the municipal provider or  
14 its successor shall continue to comply with the consistency with  
15 management goal requirements in the rules adopted by the director under  
16 subsection H of this section as if the designation was still in effect  
17 with respect to the municipal provider's designation uses. When  
18 determining compliance by the municipal provider or its successor with the  
19 consistency with management goal requirements in the rules, the director  
20 shall consider only water delivered by the municipal provider or its  
21 successor to the municipal provider's designation uses. A person is the  
22 successor of a municipal provider if the person commences water service to  
23 uses that were previously designation uses of the municipal provider. Any  
24 groundwater delivered by the municipal provider or its successor to the  
25 municipal provider's designation uses in excess of the amount allowed  
26 under the consistency with management goal requirements in the rules shall  
27 be considered excess groundwater for purposes of title 48, chapter 22.  
28 For the purposes of this subsection, "designation uses" means all water  
29 uses served by a municipal provider on the date the municipal provider's  
30 designation of assured water supply lapses or otherwise terminates and all  
31 recorded lots within the municipal provider's service area that were not  
32 being served by the municipal provider on that date but that received  
33 final plat approval from a city, town or county on or before that  
34 date. Designation uses do not include industrial uses served by an  
35 irrigation district under section 45-497.

36 J. SUBSECTIONS A, B AND C OF THIS SECTION DO NOT APPLY TO A PERSON  
37 WHO PROPOSES TO OFFER SUBDIVIDED LAND FOR SALE OR LEASE IN AN ACTIVE  
38 MANAGEMENT AREA IF ALL THE FOLLOWING APPLY:

39 1. THE DIRECTOR ISSUED A CERTIFICATE OF ASSURED WATER SUPPLY FOR  
40 THE LAND TO A PREVIOUS OWNER OF THE LAND AND THE CERTIFICATE WAS  
41 CLASSIFIED AS A TYPE A CERTIFICATE UNDER RULES ADOPTED BY THE DIRECTOR  
42 PURSUANT TO SUBSECTION H OF THIS SECTION.

43 2. THE DIRECTOR HAS NOT REVOKED THE CERTIFICATE OF ASSURED WATER  
44 SUPPLY DESCRIBED IN PARAGRAPH 1 OF THIS SUBSECTION, AND PROCEEDINGS TO

1 REVOKE THE CERTIFICATE ARE NOT PENDING BEFORE THE DEPARTMENT OR A COURT.  
2 THE DEPARTMENT SHALL POST ON ITS WEBSITE A LIST OF ALL CERTIFICATES OF  
3 ASSURED WATER SUPPLY THAT HAVE BEEN REVOKED OR FOR WHICH PROCEEDINGS ARE  
4 PENDING BEFORE THE DEPARTMENT OR A COURT.

5 3. THE PLAT SUBMITTED TO THE DEPARTMENT IN THE APPLICATION FOR THE  
6 CERTIFICATE OF ASSURED WATER SUPPLY DESCRIBED IN PARAGRAPH 1 OF THIS  
7 SUBSECTION HAS NOT CHANGED.

8 4. WATER SERVICE IS CURRENTLY AVAILABLE TO EACH LOT WITHIN THE  
9 SUBDIVIDED LAND AND THE WATER PROVIDER LISTED ON THE CERTIFICATE OF  
10 ASSURED WATER SUPPLY DESCRIBED IN PARAGRAPH 1 OF THIS SUBSECTION HAS NOT  
11 CHANGED.

12 5. THE SUBDIVIDED LAND QUALIFIES AS A MEMBER LAND UNDER TITLE 48,  
13 CHAPTER 22 AND THE SUBDIVIDER HAS PAID ANY ACTIVATION FEE REQUIRED UNDER  
14 SECTION 48-3772, SUBSECTION A, PARAGRAPH 7 AND ANY REPLENISHMENT RESERVE  
15 FEE REQUIRED UNDER SECTION 48-3774.01, SUBSECTION A, PARAGRAPH 2.

16 6. THE PLAT IS SUBMITTED FOR APPROVAL TO A CITY, TOWN OR COUNTY  
17 THAT IS LISTED ON THE DEPARTMENT'S WEBSITE AS A QUALIFIED PLATTING  
18 AUTHORITY.

19 K. SUBSECTION J OF THIS SECTION DOES NOT AFFECT THE ASSIGNMENT OF A  
20 CERTIFICATE OF ASSURED WATER SUPPLY AS PRESCRIBED BY SECTION 45-579.

21 ~~J.~~ L. For the purposes of this section, "assured water supply"  
22 means all of the following:

23 1. Sufficient groundwater, surface water or effluent of adequate  
24 quality will be continuously available to satisfy the water needs of the  
25 proposed use for at least one hundred years. Beginning January 1 of the  
26 calendar year following the year in which a groundwater replenishment  
27 district is required to submit its preliminary plan pursuant to section  
28 45-576.02, subsection A, paragraph 1, with respect to an applicant that is  
29 a member of the district, "sufficient groundwater" for the purposes of  
30 this paragraph means that the proposed groundwater withdrawals that the  
31 applicant will cause over a period of one hundred years will be of  
32 adequate quality and will not exceed, in combination with other  
33 withdrawals from land in the replenishment district, a depth to water of  
34 one thousand feet or the depth of the bottom of the aquifer, whichever is  
35 less. In determining depth to water for the purposes of this paragraph,  
36 the director shall consider the combination of:

37 (a) The existing rate of decline.  
38 (b) The proposed withdrawals.  
39 (c) The expected water requirements of all recorded lots that are  
40 not yet served water and that are located in the service area of a  
41 municipal provider.

42 2. The projected groundwater use is consistent with the management  
43 plan and achievement of the management goal for the active management  
44 area.

1           3. The financial capability has been demonstrated to construct the  
2 water facilities necessary to make the supply of water available for the  
3 proposed use, including a delivery system and any storage facilities or  
4 treatment works. The director may accept evidence of the construction  
5 assurances required by section 9-463.01, 11-823 or 32-2181 to satisfy this  
6 requirement.

APPROVED BY THE GOVERNOR MAY 10, 2017.

FILED IN THE OFFICE OF THE SECRETARY OF STATE MAY 10, 2017.
